Volunteer Positions

Vegreville Drag Racing Association is preparing for the 2nd year of racing at the Vegreville Airport, we still rely on the support of volunteers. Every race season we are looking for dedicated individuals who can commit to our drag racing events. Volunteers are essential to our events running smoothly and we are devoted to providing our community with the entertainment and enjoyment that drag racing brings. We offer to each volunteer free entry and a \$10.00 meal ticket. Each volunteer must make a \$10.00 vest deposit at sign in, but this is reimbursed after the vest is returned. Members who volunteer their time will earn a \$20.00 credit on their membership fee for a minimum five hour daily contribution, and up to four shifts per season. Below is the list of the positions that we are looking for dedicated people to volunteer for. Please indicate on your volunteer application form which of these positions you are willing to commit to. Each position is essential to the success of our events. Thank you for your time and commitment to Vegreville Drag Racing Association.

Gate: This person is responsible for taking in the monies from the gate and pit pass fees. This person needs to have money handling skills and enjoy interacting with the public. Two people are required for this position

Tech: Tech personnel must be certified mechanics and have knowledge of specs for drag racing. The ability to work under the direction of the Tech Director is an asset.

The Tower: This position is for people who can work efficiently and effectively under a high stress environment. This individual must be able to tolerate an excessive amount of noise and be good with numbers and charting. The best vantage point of all the action is at this position you are on the front line. There are several positions available.

Water Box: This job is hot and dirty work, but is close to all the excitement. In this job you get up close and personal with the cars. An appreciation for the sights, sounds and smells of drag racing is an asset.

Staging: Here you will assist the staging director in organizing the cars for their race and ensuring the race runs smoothly. This person must work well with others, follow directions and be able to line up cars in order with the assistance of the director. Knowledge of staging is an asset.

Security: Security is needed to monitor and control the flow of spectators in the pit area as well as the bleachers. Security is needed to respond to issues that may interfere with the safety of the racers and spectators. This is a very important position and is for someone who can deal with conflict in an effective manner.

Concession: These people deal with the preparation and serving of food to the public, racers and the volunteers. We need people who can handle money and cook for the concession booth. Dealing with the public, excellent math skills, and the ability to cook are requirements. This is the job that smells the best.

We always need people to help set up and take down each race. Please volunteer to assist with this if you can only make a short time commitment to our events. All volunteers are invited to a year end wind up to celebrate a successful year and to show appreciation for your commitment to Vegreville Drag Racing Association (some fee may apply).
